Dear Diary

Dear Diary...

A/N: I don't own the characters. They belong to who ever created them. Yes I have characters in mind for when I'm writing these entries. No I won't be using their names, at least not until the very end. This story is going to go on a very bumpy roller coaster.

By the way...certain dates are very meaningful to me.

Read and Review

Chapter 1

Dear Diary, 08/01

I am writing in you because this is a stupid school assignment. I need at least one entry a week for the next while. Stupid teacher didn't give us a due date. I'll have to remember to edit this before I turn it in. Oh well. So what should I tell you? Do you want to hear about my friends? Do you want to hear about my home? I don't think I'll share that though, after all I don't know you very well. But other than that I seriously don't know what to tell you. Oh well guess this is good enough for a first try.

Me

Journal, 08/05

Hey! What's up? Nothing? Man I thought I missed some storiesâ€|guess not. So yea forgot to write in you the last few days but the teacher just reminded us. Blergh this is annoying. Oh well. So lunch was a bummer today. Food tasted horrible.

Me

Diary, 08/06

Yo! Two days in a row! I'm on a roll! So yea nothing happened.
Bye

Me

Journalâ€|Diary? 08/10

Man whatever, your new name is Joe. So Joe how you been? I'm good.
Just been relaxing and hanging around. Nothing interesting.

Me

JOE! 08/12

OMG JOE! I saw him! I mean I've been seeing him for a bit but I like
really saw him today. He is sooo gorgeous! I think I saw him today
cause he laughed. It was weird. He's never laughed that loud before.
But damn he's got a nice laugh. Maybe I should try and get him to
laugh againâ€|what do you think?

Me

Joe 08/13

That didn't go so well. I won't give up though.

Me

Joe 08/14

This might be harder than I think. I don't think he likes me. What
the shit though. I'm awesome. He's going to like me. Besides, his one
friend is cool with me. That should give me brownie points. Right?!
Fuck itâ€|I'll get him to like. Watch me!

Me

Joe 08/19

Apparently he likes everyone better than me. Seriously?! I still
can't believe this asshole doesn't like me. Wellâ€|I was told he was
staring at me today during lunch. I dunno man cause honestly he was
glaring at me when I looked up. But hey he was looking!

Me

Joeâ€| 08/22

Know any good pickup lines? Mine aren't working. They seem to piss
him off more. I mean he's cute when he's angry but kinda want him to
flirt back ya know? I'll have to google more of this shit. I hate
homeworkâ€|

Me

Joe, 08/25

He doesn't look like he's slept well. I wonder what's wrong.

Me

Joe, 10/03

So it's been a while hasn't it? Month? Nothing's working. No, I'm not giving up but I am getting worried. No one else seems to notice but he is looking worse for the wear. I wonder what's going onâ€¦ Got a new job btw. I was bored at the other one I had.

Me

Joe, 10/07

I know something isn't right. I just don't know what. I saw him today at my job. He looked like he was about to pass out. I gave him some ice cream. Of course I was flirting too but at least he ate the ice cream. He didn't say thank you or smile at me but he ate it.
